STRAWBERRY FESTIVAL.

At the aunual meeting, the Guild have decided to hold a Strawberry Festival with an entertainment.

FAIR.

Also in the coming Fall to hold a Fair for Parish purposes. The Fair to be under the auspices of the Altar Guild, assisted by the other Guilds of the Parish. It is hoped it will arouse great interest throughout the congregation during the coming Summer. The Guilds will meet on Mondays during Lent to sew, and will heartily welcome any member of the congregation. Contributions of all sorts, useful and ornamental, will be thankfully received by any member of the Guilds engaged in the work. Our aim is to make ths Fair a social time, as well as to secure a large sum of money for the needs of the Parish.

A large attendance is desired. All sorts of articles, useful and ornamental, will be offered for sale, which will make useful Christmas gifts; also our excellent Restaurant, where suppers that are very appetizing, are prepared by those that have it in charge. So we do hope our congregation will invite all their friends to come and assist us as they have done in the past.

TWENTY-SECOND ANNUAL REPORT

OF THE

ALTAR GUILD OF TRINITY CHURCH, SOUTHWARK.

The Altar Guild presents its twenty-second annual report with many thanks to their subscribers for the help in assisting us to accomplish our good work during the past year. Besides attending to the Altar and Chancel, we held a fair which was very successful, and enabled us to turn over to the accounting warden, $600 for Parish purposes. We also restored the Altar Rail and had the Crosses and Vases relacquered, and received through one of our managers a memorial of a brass pulpit, which altogether makes our Church very beautiful. We cannot but feel our results are exceedingly gratifying, and must strongly commerd itself to every member of the congregation, and we earnestly appeal to those who are not annual subscribers to help us in this good work. Subscriptions of one dollar per annum, to be paid to any manager of the Guild.

Received the following letter from the Vestry:

> The Vestry of Trinity Church, Southwark, wish to express their thanks for the manner in which you have restored and beautified the Chancel Rail. At a meeting of said Vestry, held February 6th, 1901, a note of said appreciation was ordered incorporated in the minutes.

TWENTY-THIRD ANNUAL REPORT

OF THE

Altar Guild of Trinity Church, Southwark

Another year having passed away, the Altar Guild presents its Twenty-third Annual Report.

We record with great sorrow that we have lost by death one of the oldest members of the Guild, as well as of Trinity Parish, Mrs. Emma M. Smith, who was one of our most active and devoted managers, until her increasing years and infirmities compelled a cessation of labor. We shall all remember her with great affection.

Besides attending to the demands of the chancel, we held a strawberry festival, which realized us $101.81 to replenish the treasury of the Guild, and enabled us to keep on in our good work of supplying all that is needful for the chancel and in decorating the altar with flowers. These flowers, after they are taken from the altar, are sent to the sick of the parish.

To support this work we must continue to appeal to the congregation for assistance. Donations can be handed to any of the managers, or can be placed in the box provided for this purpose at the door of the church. We also held a fair and was enabled to pay over to the Accounting Warden $400 for parish purposes. We have presented to the church a very handsome white altar cloth and hangings, also a green altar cloth and hangings. We have made also an appropriation of $50 to the vested choir.

Thanks are due to Mrs. Wagner, Committee on Supplies, for her kindness in the help which she has given to the vested choir. Her report will show 30 cottas made for the men and boys and 24 cashmere gowns for the women, and this work is still going on.

We cannot but feel that our work is still progressing, and very gratifying results have been obtained, as the Treasurer's Report will show. We have quite a number of subscribers, but we appeal to all to become such.

Subscriptions of one dollar per annum may be paid to any manager of the Guild.

The following managers were elected to serve the ensuing year, and the following officers were chosen and committees appointed:

THE TWENTY-FOURTH ANNUAL REPORT

OF THE

Altar Guild of Trinity Church, Southwark

Another year having rolled around the managers of the Altar Guild present their Twenty-Fourth Annual Report. We express with deep sorrow and grief that we have lost, by death, our worthy and beloved Secretary, Mrs. Henry D. May, who was a faithful friend and earnest worker. We shall always miss her pleasant manner, her untiring energy and her ardent devotion to the work, always ready to do whatever she could for the interest of the Guild and all other organizations of the church.

The Treasurer's Report will show what we have done the last year. We have not only attended to all demands of the church, but have paid to the Accounting Warden Sixty-seven dollars for Parish purposes. Besides holding our annual Strawberry Festival, which was very successful, our late Rector, Rev. Horace F. Fuller, very kindly volunteered to give us a lecture on his trip to Japan, which realized us a goodly sum, and for which he has our sincere thanks. We have also kept the altar supplied with flowers, which cost the Guild $51.45, but feel sorry to say outside of the managers of the Guild, this matter does not seem to inter-

est the congregation as it should. We all love to beautify "God's Altar," and to remember the sick. The flowers when taken from the altar are sent to the sick of the Parish. We would be most thankful for any donations from any member of the congregation, either by subscription, or placed in the box at the church door for that purpose, or sent directed to the Treasurer. We are now working for a Kettledrum to be held on Tuesday and Wednesday in Easter week, for the benefit of the church, which should appeal to all the congregation, and we kindly invite the aid of the congregation and their friends, hoping as in the past we shall meet with a very gratifying result.

Received the following letter from the Accounting Warden:

Ladies of the Altar Guild:

I beg to acknowledge the receipt of $67 proceeds from the lecture, "Journey to Japan," by the Rector in aid of the Parish Fund and thanks to the Altar Guild on behalf of the vestry for the aid thus extended. Yours very sincerely,

CHAS. M. PETERSON,
Accounting Warden.

Thanks are also due from the Altar Guild to St. Catharine's Guild for their aid in attendance to the Altar.

THE TWENTY-FIFTH ANNUAL REPORT

OF THE

Altar Guild of Trinity Church, Southwark

In presenting the Twenty-Fifth Annual Report of the Altar Guild, it is most gratifying to state, that the last year has been one of the most successful in our efforts to help sustain the work of the Parish.

The Kettledrum, held April 14th and 15th, realized the sum of $211.31; $200 was sent to the Warden for Parish purposes. The following letter of thanks was received :

"I acknowledge with much pleasure, the receipt of your check for $200, a contribution from the Altar Guild. I presented it at the Vestry Meeting last evening and was instructed to acknowledge your gift, and assure the Guild of their high appreciation of your efforts to sustain the Parish."

CHAS. M. PETERSON,
Accounting Warden.

A Strawberry Festival was held June 3rd, realizing the sum of $88.60

We have provided flowers for the Altar, also Easter and Christmas decorations, at the cost of $61.93, most of that sum being given by the members of the Guild themselves, as very little interest is taken in the matter by the congregation, outside of that body.

The box at the Church door is provided for any one who may wish to contribute to that fund, and as the flowers are sent to the sick of the Parish, the Altar Guild would be very grateful for help in that way.

We have also purchased a new rug for the Altar steps, papered and repaired wood work in Vestry room, calcimined stairway of Parish building, with many minor improvements. The Treasurer's Report will show amount expended on this work.

From the proceeds of our Anniversary Birthday Party, we were enabled to send to the Warden the sum of $135. The following letter was received acknowledging the same:

"I acknowledge with great pleasure, the receipt of your check for $135, the proceeds of the Altar Guild's Twenty-Fifth Anniversary Celebration, to be applied to Parish purposes, and on behalf of the Vestry, thank the ladies for their continued aid."

CHAS. M. PETERSON,
Accounting Warden.

Thanks are due St. Catharine's Guild for their aid in attending to the Altar; also for their very efficient help at all entertainments.

STRAWBERRY FESTIVAL.
